

ARCHITECTURAL  
GRATES + DRAINS

# 100ARi40MTL

## Linear Drainage System

The 100ARi40MTL is the original premium architectural grate featuring a 2mm wire/2.5mm gap.

Manufactured from 316 marine grade stainless steel this drainage is made to specified length with specified outlet position

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
