65MNDG25

Linear Drainage System

Modular drainage kit with stainless steel grate, uPVC drainage channel and fittings

The 65MND25 is a designer grate featuring a tessellated hexagonal design created by Marc Newson.

The grate(s) are manufactured from 316 marine grade stainless steel and the channel and fittings from uPVC.

Kits longer than 3000mm are available on request.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.

Refer to AS3500 for outlet pipe sizes specific to your installation.
