

ARCHITECTURAL
GRATES + DRAINS

100PASi20

Linear Drainage System

100mm Wide Punched Angle Slot Perforated Stainless Steel Grate with Stainless Steel drainage channel

This punched angle slot perforated grate manufactured from 316 marine grade stainless steel combined with stainless steel channel offers an affordable option to use the Slimline drainage system.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
