65TiTDi

Tile Insert Drain

Code 65TiTDi
Range Threshold
Grate Style Ti
Category Made-to-Length
Channel Material Stainless Steel
Steel Grade 316

The 65TiTDi is a Threshold Drain for door track with sub sill tray featuring our 65mm wide Tile Insert.

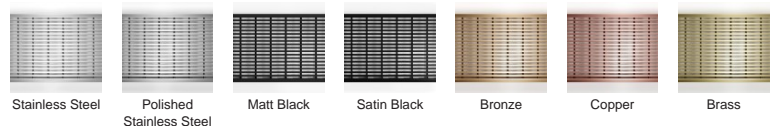

For sliding and Hinged doors.

Featuring a linear stainless steel grate with concealed channel section connecting sill and sub-sill for door tracks and thresholds. Allows door sills to be drained while having internal and external floor surfaces with no step down. Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
