

100ARG20

Linear Drain

100mm wide Architectural Stainless Steel grate with UPVC channel.

The 100AR is the original premium architectural grate featuring a 2mm wire/2.5mm gap.

Modular site finish system, wedge wire grate, manufactured from 316 grade stainless steel combined with a UPVC channel.

Kits longer than 3000mm are available on request.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
