Linear Drainage System

100mm wide Marc Newson designed stainless steel grate with stainless steel channel

A world first in architectural linear grates, the partnership with Marc Newson has created a new decorative solution for wet areas, incorporating Newson's signature tessellated hexagonal pattern.

Lengths over 3000mm available on request.

Please be aware that depending on the installation environment, for a pool installation or close to a surf beach, you may need to have your stainless steel grates electropolished.
