

100Tii50MTL

Linear Drain

With a channel manufactured from sustainably sourced 316 marine grade stainless steel for durability, hygiene and luxurious visual appeal. This drainage is made to specified length with specified outlet position, featuring a sleek tile insert for seamless integration with tiled floors. Suits tiles up to 10mm thick.

Please be aware that for a pool installation or installation environment close to a surf beach, you may need to have your stainless steel insert & channel electropolished.

Refer to AS3500 for outlet pipe sizes specific to your installation
