| <b>Steel Grade</b>      | 316           |

Grates longer than 1500mm supplied in sections. Channels over 3000mm supplied in sections with joiner. +/-2mm tolerance on dimensions.

# 65TRGALLBL25

## Slimline Linear Drainage system with Standard (TR) grate style

Powder coated black stainless steel linear drain grate and black uPVC channel modular kit designed for architectural applications. Suitable for internal wet areas.

uPVC kits feature a slightly oversized channel with loose outlet, allowing self-selection of outlet position before cutting down channel to size upon assembly. Kit contents include channel section, grate section, 2x end caps, outlet and outlet extender. [See our guide to kit components for more info](#)
