MULTI-FUNCTION DESIGN

Unique dual-sided shower drainage with shower screen support.

Stormtech delivers an exclusive bathroom innovation with the 120SCS Linear Drain featuring integrated support for glass shower screens. This unique, patented design allows surface water to drain from both sides of the shower screen for perfect floor draining.

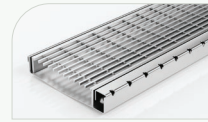

Manufactured in Australia, from marine grade stainless steel, Stormtech's Shower Screen Support is available in our complete stainless steel range of grate styles and colour finishes.

Choose our 120SCS Made-to-Length units or talk to us about custom specifications to suit your requirements. Available in Stormtech's exclusive range of designer grates and tile inserts with natural stainless steel finish, or one of our luxurious colour finishes.

BENEFITS

- + Single floor waste can drain the entire bathroom.
- + Wall to wall installation.
- + No need for complex falls, or intricate tile cutting.
- + Easier waterproofing as substrate falls to single location.
- + Any water thrown towards the door runs back to the drain.
- + Adds Bathroom design flexibility.
- + Exceeds Australian standards.
